Why Choose this trip?

Jay Peak gives you the freedom to find your limits and experience pure glade skiing and off piste excitement. Yes, you can ski anywhere within the Jay Peak boundaries so long as you ski in threes and exercise caution when re-entering the trail system.

Jay Peak offers the best big mountain skiing east of the Mississippi. Jay's annual snow fall 355", is more than most western resorts. In addition to trails that will challenge the best skiers, Jay offers lot's of terrain for the intermediate and beginner skier.

Fabulous cross-country skiing on 70 km of groomed trails through gorgeous scenery at the nearby Hazen's Notch Association trails. Or snowshoe through the backwoods on pristine powder.
